Dear friends,

I really have very little to say after the last race weekend, just prayers for Jules, the kid who grew up with us, always with a polite smile and with a great fighting spirit. I ask just one thing of you, that, with all your heart, you think of him in one way or another.

I'd like to think just one prayer could help and seeing as there are so many of us, then it could be a great help to him.

I am sure you all feel close to him, wherever you are in the world, just like I am, here at the hospital, representing all of you.

Forza Jules!!!
